To you, for whom the ties of Family are most sacred, is given now the opportunity to provide a spot of surpassing beauty and quiet for your eternal reunion.

Here, in Glen Haven Memorial Park, away from the disturbance of the city—yet not too far—amid Nature's flowers and trees, undefiled by crumbling stone or ostentation, your family may finally be together through all the ages.

Intelligent fore-thought will urge you to consider this matter now—while locations in this most modern burial park are plentiful—and prices are still low.

## FOREWORD

In presenting this Manual and Directory of the Brookside United Brethren Church, we hope that it will be a blessing and that it will serve some definite ends. First: We trust that it will acquaint you with the history and traditions of the church and familiarize you with the present organization and membership. Second: We believe that it will draw us closer together in the Master's work and create anew in us that old time custom of being neighborly. Third: We hope it will make the Church and her activities become more sacred to our lives, as involving duties to be performed and privileges to be enjoyed.

This Manual and Directory can be of great value to the membership of the Brookside United Brethren Church and it is our sincere wish that you preserve this copy in some convenient place where it will be accessible for constant use. You will find herein listed all of the officials of the Church and the organizations. A directory of the membership, alphabetically arranged, with addresses and telephone numbers will be found in the closing pages. That there should be mistakes and omissions in this list is possibly inevitable. However, we hope that these errors have been reduced to the minimum, and if there have been omissions, the pastor will appreciate it, if you will notify him. In this connection, let us urge that you notify the pastor of any people moving into our community, or of people that should be won for our Christ and Church, and also of any members of the church and community that are sick or in distress.

We want to thank those who have helped in a special way in preparing and publishing this Manual and Directory. We are indebted to Mr. Clem C. Voorhis for taking the pictures; to Mr. Walter Latz, of the Standard Printing Co., for his advice and courteous service; to Mr. Robert Kopp of the U. S. Photo Engraving Company for his splendid service; to Mrs. Goldie Breedlove and Mrs. Alta Hall for their fine work in securing advertising; and to others who have helped in many ways.

## PATRONIZE OUR ADVERTISERS

We ask you to read the ads and to patronize those who have helped to make the Manual and Directory possible. If a church decides to secure advertising to help pay for its publicity, it ought to have the same determination to make such advertising valuable to those who invest in it. Thus we urge you again to patronize our advertisers and please tell them that you saw their ads in the Manual and Directory of the Brookside United Brethren Church. We also ask you to notice and to use the directory of advertisers in the back of this book. These advertisers are for us and we are for them.

# THE BOOK OF LIFE
*is*
# THE BIBLE BEAUTIFUL

It is the Bible re-created to tell the life story of each of the great Bible characters. It is NOT a book about the Bible. It is the actual language of the Bible, the King James Version; beautifully printed, attractively illustrated, and arranged to conveniently bring out all of the matchless beauty, the poetry, the romance, and the complete story of the Bible itself and of its characters.

Gene Stratton Porter said, "Our children need to be taught the love of God. To my mind, the wave of lawlessness, immorality, and irresponsibility sweeping the country today is directly the result of taking the Bible from the school and neglecting it in the home."

YOUR CHILD WILL ENJOY READING THE BIBLE "THE BOOK OF LIFE WAY."

## THIS IS MY CHURCH

Here through helpful services I come close to God and to my human comrades in worship.

Here in many ways I learn the truths by which I live an earnest, happy, useful life.

Here I gain the strength by which I become that which I have learned I ought to be.

Here I find comfort in my sorrow, courage in my struggle, joy in my victories.

Here I come into union with Christ, my Master and Friend.

## THE GREATEST PATH

The greatest path in the world is the path from your door to the door of your Church.

If all of us faithfully used this path and were guided by its radiant influence, the nation would be safe, crime subside, business prosper, and all hearts have peace.

For this path was made by the Son of Man for the sons of men, that walking humbly into His Holy Presence in the Church they might afterwards walk together as brethren in the world.

Are you using THE GREATEST PATH?

## A BIT OF HISTORY

Brookside forty-five years ago or in 1885 was a separate community, outside the corporation limits, and known as Springdale, having a few scattered families. Feeling the need for religious training, these people began holding meetings in their homes. Realizing the need for a place to worship for the community, Rev. J. A. Bushong, Thomas Hurley, a Mr. Lampton, their wives and others organized in 1889 a class and built a one-room frame building with a balcony across the rear. This was dedicated as Springdale United Brethren Church. Later a vestibule and belfry were added. Rev. Bushong drove a horse and wagon to Greenfield to get the bell. The structure was heated with stoves and lighted with oil lamps.

Among the early members and active workers of the church, including various officers, teachers and other leaders, were A. M. Springer, S. A. Lapham, Thomas Campbell, George Geddis, Harry Burns, S. B. Phenegar, a Mr. Wolfgang, Elmer Casady, their families and still others.

The church, at that time, was located near Thirteenth street on North Rural street. The Home Missionary board gave financial assistance to the support of the pastor. Those who served during this period were the Reverends D. O. Darling, Frank Hunt, J. E. Shannon, J. E. Paddock, M. O. Jarvis, George Meyers, Rev. Dickensheets and Rev. Reynolds.

In 1901 a lot at the corner of Dearborn and Eleventh streets was purchased and the church moved across the commons to this site, where it was known as the Second U. B. Church. Rev. Darling was then the pastor, followed by Rev. C. N. Broughman, Rev. Z. C. Mower and Rev. M. K. Richardson. The latter served six years, during which the present location, Olney and Eleventh streets, was acquired and a brick building erected, the name being changed to Brookside Park U. B. Church.

Dr. James B. Parsons, now Superintendent of White River Conference, was pastor six years, followed by Rev. C. P. Martin and Rev. A. Bash Arford, each serving three years. In recent years adjoining property was acquired and the present edifice was completed during Rev. Arford's pastorate. Rev. Forest A. Reed, the present pastor, is serving his third year.

During the years of beginning and during the years of building, there was much sacrifice and hard work for those who were carrying the heavy burdens of the congregation. But God has blessed and the present membership numbers about 800. The Sunday School has grown until it averages more than 400 per Sunday. The facilities of the present church plant make it possible to carry out a fourfold program of Christian Education. The great crowd of young people and children that belong and attend inspires and challenges the membership to plan and work for a greater and better Brookside United Brethren Church.

The program of Brookside Church is one of soul winning and character building. The Brookside Church tries to help lift the moral temperature of the community and endeavors to stand for the right. There have been more than 200 accessions under the present pastorate. The Missionary spirit is kept fervent by the Missionary organizations, and Brookside Church pays her Benevolence quota monthly. Brookside Church was one of the three churches of the 165 in the conference to meet the standard last annual conference, and according to the statistical secretary, Brookside church had the best report of the conference.

## SOME FACTS ABOUT OUR CHURCH

The United Brethren Church as a denomination is the oldest American Church. It was founded the same year that Washington was inaugurated President of the United States and within a short distance of where his inaugural took place. The United Brethren Church was founded in Baltimore, Maryland, in 1789 by a conference of seven ministers, presided over by Philip William Otterbein. These ministers believed in "experimental" religion and they founded a religious society for the purpose of helping one another and promoting "heart-felt" Christianity, little thinking that their organization would be the beginning of a great denomination. Seven other ministers soon joined the society. The Church thus founded was not a schism or an offshoot from another denomination but was composed of German speaking people of the Reformed, Mennonite, Moravian United Brethren, Lutheran and Presbyterian persuasion. The German language was used in preaching and writing until the year of 1830, when the introduction of English-speaking people into the church made it necessary to use both languages.

The Government of the United Brethren Church resembles the government of the nation. The ideal of the United Brethren Church is that in which all the people bear a part, both in ministry and laity. Such a government is of the people, by the people, and for the people.

The United Brethren Church has always been very evangelistic. It had its inception in the great religious awakening and revival of 1755. The United Brethren Church has faithfully stood for the "faith once delivered to the saints." The growth of the Church has been great in the last quarter of a century. At the present time the United Brethren Church ranks third, numerically, in Indiana.

Think what a brighter future our children would have. Stop and give this some thought if you continue to trade with the Chain Stores and force all Independent Merchants out of business. Your children will never have the opportunity to go in business for themselves. All they can do is to work all their life for a small wage. Don't force a life of poverty on your children for the sake of trying to save a few cents. Trade only with Independent Merchants and give our boys and girls a chance. ### MY PRAYER

Gracious Master, all this day
May I love thee well, I pray;
Kept by thee from every wrong,
Singing out a cheering song,
May I bring to hearts that weep
Thine own comfort, sweet and deep,
May I gather to thy fold
Little children, trembling, cold.

May I thirst and ache dispel
With the water from thy well;
Feed the hungry, both with bread
And the Word that thou hast said;
May I show in look and deed
Thee for whom all men have need;
Yea, my Master, all this day,
May I love thee well, I pray.

—Norman Schlicter

I have been happy in my pastorate at Brookside because of the cooperation and loyalty of the members. The success that has come to our church in paying obligations on debt, winning souls, building up the organization, etc., has been due to two things: cooperation and prayer. The Church is made up of individuals and there is but one way to make Brookside Church what it should be—that is for EACH MEMBER to be a consecrated, devoted servant of Christ and become IN SELF what the church ought to be as a whole. Let us take the slogan "We will work and win with Christ," and let us claim God's promises, expect great victories, be "doers of the Word," love everybody and truly serve our God and fellowmen. As your pastor, I am your servant and if I can help the church or community in any way, I shall count it a privilege to respond.

Only those who have been closely associated with our trustees in the building of our splendid church plant and in the financing of the enterprise, can appreciate their untiring efforts in Kingdom Buildng. Their vision for the church and their interest in the community helped to secure our present church plant which is a blessing to the membership and an asset to the community. They have carried heavy responsibilities, but they have done it willingly.

## THE COMMUNITY AND THE CHURCH

We are aware that a good church building is an asset to a community; it makes property of more value, but a building will not suffice unless there is a "real heart" in the building. The "real heart" of a church is love for humanity and willingness to serve. We are trying at Brookside United Brethren Church to have a "real heart." We are trying to help people to know God and we are interested in the needs of people as many people outside and inside our church could testify.

We are interested in the "makers of our community"—those who live in the community, have places of business in the community, and who build up the community mentally, socially, spiritually and also financially. Sometimes a business man thinks that although he slams the church, church people ought to "fall over themselves" in trading with him. Both he and the church may be laboring under misunderstandings, but his attitude is not a winning one. We should realize as church people, that our patronage and support should go to those who are loyal hearted to the community. If your church would burn down, you would not go to Chicago to raise money but you would call on your own business men for help, and it would be a rare exception that any good business man would turn down any work for the common good. The Golden Rule is always useable and used in this consideration it means that it is our duty as church people to be for those who have been for us and who are helping the community of which we are a part. Reciprocity is the child of appreciation and gratitude, and flourishes only when the parties concerned understand each other. The church is dependent on its temporal side on the community and the community needs the church for moral atmosphere, for ideals, for spiritual poise and for the Christ.

The true spirit of Brotherhood ought to prevail in our splendid community. If all live for God and each lives for the other, then all, whether Jew, Catholic or Protestant, can live together in the finest spirit of cooperation and good will. We believe that the church has a very important place in the community. None of us would want to live in a churchless community and yet as Theodore Roosevelt said: "The church is easy to slam and hard to replace. Kick it if you like, but you will be wiser and happier to back it." All do not agree as to the duties and responsibilities of a community church. We want the Brookside United Brethren Church to be a force for righteousness in our community as well as in the ends of the earth. Every movement that is for the betterment of our community ought to feel the lift of our people as individuals and count on us as a church to be on its side. We want the forces of evil to know that we are against evil and the more they know it the surer we are that our ideal is being reached.

### Budget June 1, 1930, to May 31, 1931

| | |
|---|---|
| To Trustees: | |
| For interest and obligation on Building Debt | $ 9,949.72 |
| Insurance on church for three years | 1,350.00 |
| Incidentals and repairs | 400.28 |
| TOTAL | $11,700.00 |
| To Local Treasurer: | |
| Salaries—Pastor, Assistant and Janitor | $ 4,160.00 |
| Music | 250.00 |
| Publicity | 140.00 |
| Heat, light, gas and incidentals | 800.00 |
| TOTAL | $ 5,350.00 |
| To Benevolence Treasurer: | |
| Conference Quota | $ 1,200.00 |
| Church Federation | 50.00 |
| Indiana Central College | 400.00 |
| Bonebrake Seminary | 200.00 |
| TOTAL | $ 1,850.00 |
| GRAND TOTAL | $18,900.00 |

To raise the above budget, members of the church are asked to subscribe as much as they can; however, the church asks no more of any individual than he should contribute to the church as a Christian. The one budget system is used and all pledgers are urged to pay on their pledges weekly. The weekly pledges to the budget are supplemented by four special cash and catch-up days during the year, as follows:

June 29, 1930—Third Anniversary Day—Goal $3,333.33
September 21, 1930—"Joash's Chest" Day.
December 23, 1930—"Give God A Gift" Day.
Easter, 1931—"Love Offering to Christ" Day.

We urge every member of our church that has any income to pledge and pay. It is more for their own good and for their standing with God than it is for the good of the church, but members must meet their obligations to the church if they would have the church meet its obligations to the world.

"Ye looked for much and lo, it came to little; and when ye brought it home, I did blow upon it. Why? saith the Lord of hosts. Because of mine house that is neglected, and ye run every man into his own house."—Haggai 1:9

## TITHER'S LEAGUE

The Brookside United Brethren Church has had a Tither's League since January 21, 1918. Mr. Hill had called a meeting at his home, then at 1027 Kealing Avenue, and as a result of this meeting, an organization was perfected with ten members enrolled. At the present time there are at least 112 tithers in the church membership. Mr. Clem C. Voorhis is at present the Chairman of Stewardship and President of the league.

The League meets quarterly on the fifth Tuesdays. Meetings will be held July 29th, September 30th, December 30th and March 31st, 1931, and anyone is welcome to attend. One of the questions asked of applicants for church membership is: "Will you study to know your duty as a Christian Steward, and will you contribute to the support of the local Church and benevolent interests of the church as God prospers you?" The two great essentials in Church endeavor are Evangelism and Stewardship. In the League, Stewardship is studied and discussed.

## BASIS FOR TITHING

The "tithe" principle of the Old Testament becomes the "life" principle of the New Testament. The tithe in the Old Testament acknowledges God's ownership and sovereignty. In these days of Grace, with the Crucifixion and Resurrection back of us, we should do more—we should be stewards of all that we are and have. Jesus said: "This ought ye to have done, and not to have left the other undone." We cannot give direct to God, but we can give to the cause for which Christ died. One tenth is small when we realize that God furnishes both the capital and the increase.

"The earth is the Lord's, and the fulness thereof; the world and they that dwell therein." Psalms 24:1.

"Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it." Malachi 3:10.

"Honor the Lord with thy substance, and with the first fruits of all thine increase." Proverbs 3:9.

"He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully. Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver. And God is able to make all grace abound toward you; that ye, having all sufficiency in all things, may abound to every good work." II Corinthians 9:6-8.

"It is not what he has or even what he does which expresses the worth of a man, but what he is."

# *Indiana Central College*

Indiana Central College is a high type Christian College owned and operated by the United Brethren Church. Its church constituency includes a hundred thousand United Brethren in Indiana, Illinois, Wisconsin, and Minnesota. Therefore, the people of Indianapolis are especially favored in having the college located here in this city.

Indiana Central has been having a wonderful growth in students, buildings, campus, student activities, and recognition on part of the public.

It gives the regular four-year college courses leading to the Bachelor of Science, Bachelor of Arts, and Bachelor of Music Degrees. It prepares students for high school and grade school teaching and issues certificates for life license.

The student organizations and student activities are of the best type and most helpful.

The teachers have high scholastic training and take real interest in the students.

The expenses are very moderate. Expense for tuition and fees amount to $168.00 for a year.

A rapidly increasing student body gives evidence of the real merits of Indiana Central.

We appreciate the cooperation of the people of Brookside and welcome her young people.

I. J. GOOD, *President*

## THE CHILDREN'S DEPARTMENTS

The departments of the Children's Division are doing fine work and great interest is being shown by the children. The Brookside United Brethren Church believes that the child should have the central place in the program. We would rather conserve childhood than reform adulthood. We do not want the scars that follow the "wild oats" days.

Our workers with the children ask for the cooperation of all the parents. We would be glad to have the children stay for the church worship service and we would appreciate having all the parents present. The Word tells us to "train up a child in the way he should go and when he is old he will not depart from it." (Proverbs 22:6). Let us work together in making boys and girls know that the most important thing in life is to "love God and keep his commandments."

Special plans have been made for the Children's Division for the summer—Daily Vacation Bible School from June 23-July 11, picnics, parties, class meeetings and a great time with Jesus in the lesson periods on Sunday.

Mr. Clem C. Voorhis was chosen teacher by the class shortly after its organization and has been in charge of the Devotional services since that time. The class is chartered as an organized adult Bible class. A large percent of the class are members of the church.

The regular monthly social is held the last Monday in each month. Other social activities are conducted by the class such as parties and picnics where good times are enjoyed and friendships strengthened. The men of the class organized a basket ball team and made an excellent showing in the Church B. B. League the past season. The class has presented three plays, and has sponsored several other entertainments.

### Carrying Out Your Contract with God

When you make a contract with anyone it must be based upon a valuable consideration.

There was a woman of Israel named Hannah and she made a solemn contract with God.

When her son, Samuel, was born he was promptly placed in the church for training.

As a result of that schooling he came to manhood clean minded and clear brained. He was a statesman who shaped and guided the national life of the Hebrews.

The fierce light of publicity beat upon him as it does all who are invested with authority. He never failed in his leadership.

Many a parent has lived to rejoice that their faithful living has influenced sons and daughters to be good men and true in all the hazards of the rough road of life.

Samuel—the church-trained boy of Israel—began well, continued well, ended well.

Since Brookside United Brethren Church has a splendid gymnasium it should be expected to have a real athletic program during the fall and winter months. Last season all the young people and boys and girls were given opportunity to use the gymnasium and almost every period in the evening found some group playing.

The United Brethren League of the city played on twelve Tuesday nights and the tournament was won by the University Heights team with the Brookside team winning second honors.

There was also a church league composed of teams from the Young Married People's Class, Brookside Christian Builders, and the Minute Men. This league played on Saturday night.

A girls' team from the Loyal Daughters class played several games with other teams.

Primary and Junior boys and girls had the use of the gymnasium after school hours on certain days of the week. Intermediate classes had play periods in the evening.

Every group had a chance to play and the recreational program at Brookside Church helped many boys and girls and young people to find recreation and wholesome fellowship.

A banquet was held at the close of the season with the United Brethren City League teams and the Brookside Church League teams as guests.

## THE GIRL AND BOY SCOUTS

We are glad that Girl Scout Troop No. 39 and Boy Scout Troop No. 41 have their headquarters in the Scout room of Brookside United Brethren Church. The Scout movement is a world movement and is a builder of democracy, patriotism and loyal public servants.

### Girl Scout Troop 39

There are about forty girls in Troop 39 under the leadership of Captain Lelia Kennedy. These girls are energetic and purposeful. They take hikes, learn to swim, run errands, seek to be courteous and helpful. For two winters they have supported an aged family by their own self-denials. About twenty of the girls learned to swim last summer.

### Boy Scout Troop 41

Troop Committee—Forest A. Reed, H. W. Johnson, C. B. Murphy, Charles G. Mitchell.

Scoutmasters—Charles E. Noble, and Milton G. Reed.

Officers of Troop—Senior Patrol Leader, Charles Bowers; Patrol Leader of Silver Fox Patrol, Albert Hughes; Patrol Leader and Assistant of Flying Eagle Patrol, Robert Hendrickson and James Keene; Troop Bugler, Millard Brown.

Report of Scoutmaster Reed:—"Boy Scout Troop 41 closes a very gratifying year in scouting. In the city rating system as adopted by all the city troops, we have been standard for the last official year ending June 1st and for this rating the troop is awarded a standard ribbon. The troop has been on eight hikes as required to qualify as standard. The troop entered first aid, signalling, and knot tying teams in the February District Rally. The troop also entered two boys in the June Athletic Meet in the 50-100-220 yard dashes. Scouts Albert Hughes and Marion Morris have advanced to Star Scouts. First Class Scouts, Lawrence Gaston, and Charles Bowers and Second Class Scout, Robert Hendrickson, have added their quota of merit badges during the year bringing the total above thirty. There are at present 16 registered, active scouts."

## THE SCOUT OATH

On my honor I will do my best—

1. To do my duty to God and my country, and to obey the Scout Law;
2. To help other people at all times;
3. To keep myself physically strong, mentally awake, and morally straight.

## WHAT WE READ BECOMES A PART OF US

Emerson in his great "Essay on Books" said: "There are books which take rank in our lives with parents and lovers and passionate experiences, so medicinal, so stringent, so revolutionary, so authoritative." Certainly we should daily read the Bible which is "given by inspiration and is profitable for doctrine, for reproof, for correction, for instruction in righteousness that the man of God may be perfect, thoroughly furnished unto all good works," (II Timothy 3:16-17). and there are books and periodicals that should be read. A good book put into a boy's hands at a certain hour, saves him for time and eternity. Another book of opposite character leaves the boy a skeptic and sends him through life a foe to man and a hater of God. Every home ought to have plenty of good reading material. Religious papers and magazines are of paramount importance.

## THE RELIGIOUS TELESCOPE

This great Religious Journal for United Brethren people should be in all United Brethren homes. It is our "trade" paper. The Sunday School and Christian Endeavor helps are splendid. It tells what other churches are doing and challenges the readers to be better Christians. It costs only 4c a week or $2.00 a year. Give your subscription to the pastor and bless yourself and help him to reach the quota of 80 subscribers.

## THE EVANGEL

The monthly missionary magazine ought to be read by all the women and girls of the church, and can be read with great interest and profit by the men and boys. It is full of inspiration and it costs but 50c a year.

"The Watchword" is a paper for the young people and is second to none, and "The Friend" is a most excellent paper for boys and girls. These papers and our Sunday School literature should be read by all our people.

Every official should secure the "Discipline" which gives the rules of our church. It costs 50c.

There are many good books that can be secured at a reasonable price and the pastor will be glad to loan books and to help you to secure the best books.

## HELPS FOR YOUR PRAYER LIFE

A Child's Prayer:

"Now I lay me down to sleep
I pray the Lord my soul to keep.
If I should die before I wake,
I pray the Lord my soul to take.
Bless Papa and Mamma and all my friends
And help me to be good,
For Jesus' sake. Amen."

Grace before Meals:

"Our Father, we thank Thee for this food,
Bless it to our good;
Feed our souls on the Bread of Life,
And help us in our daily life."

"Gracious Master, we thank Thee
For these and all the benefits of life,
Forgive our sins and failures
And help us to do Thy will in Jesus' Name. Amen."

"I am the resurrection, and the life; he that believeth on me, though he were dead, yet shall he live."—John 11:25.

## IN MEMORIAM

| May 30, 1929 — | May 30, 1930 |

| S. B. Phenegar | Gertrude Caldwell |

| Roland James Reed | Mrs. Arthur Grove |

"They are not dead, those loved ones who have passed
Beyond our vision for a little while.
They have but reached the light while we still grope
In darkness where we cannot see them smile.

But smile they do, and love us and do not
Forget, nor ever go so far away
But that their hands still clasp our hands and hold
Us safe from falling when we fain would stray.

They are not dead, theirs is the fuller life,
Theirs is the victory, the joy, the gain;
For us is still the waiting and the strife,
For us the loneliness, for us the pain.

Then let us gird us once again with hope
And give them smile for smile the while we wait;
And loving, serving, when our Father calls,
We'll go to find our dear ones waiting at the gate."

"Death is but an incident in everlasting life and God's method of colonizing Heaven."
